

Declaration of Conformity

Standards: RoHS and REACH

Xicato declares that

Xicato has a system within its company to ensure compliance with applicable legal requirements. The system will enable compliance of products, parts and materials procured from suppliers.

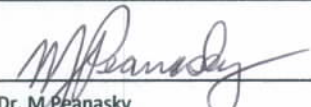

As required by REACH Art. 33, Xicato will inform customer if certain products or packaging contains on or more of these substances in concentration above the 0.1% weight per part, as soon as we become aware of the fact.

According to the Directive 2011/65/EU (RoHS Directive, 2015/863/EU) Xicato's products listed below do not contain the following substances exceeding defined maximum concentration values, unless an application exempted by Annex of RoHS Directive.
